

Mid-Chapter Review

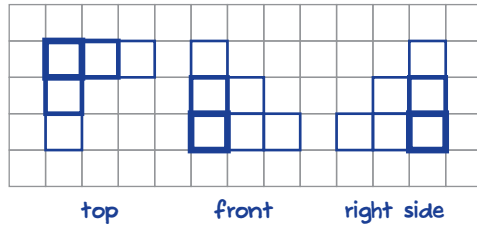

1. Build the cube structure on the right. Then create each drawing.

a) Make an isometric drawing of the structure.

e.g.,

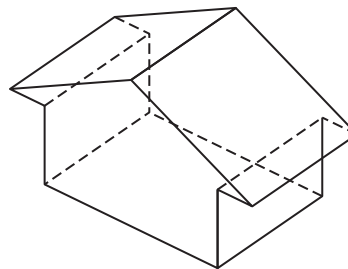

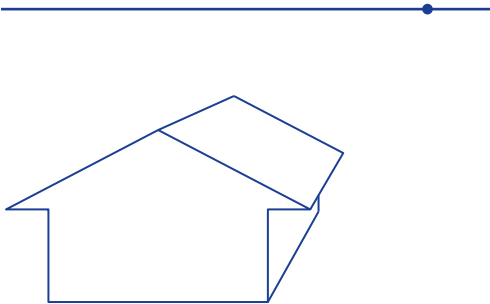

b) Draw the top, front, and right-side views.

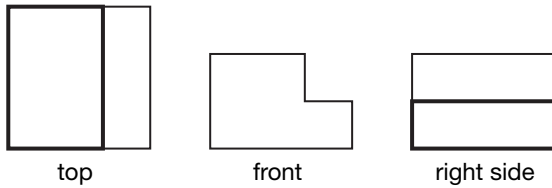

2. Use the object on the right. Create a one-point perspective drawing for it.

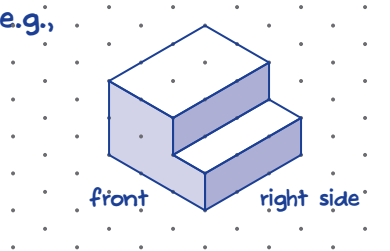

e.g.,

3. These views show the top, front, and right-side views of an object. Make an isometric drawing of the object.

e.g.,

4. Draw an exploded view of this table.

e.g.,
