Dear Parents/Guardians:

RE: Update Regarding School Athletics and Vaccinations

As you read in correspondence shared from BRSD last week, at the request of Alberta Education and Alberta Health Services, BRSD has temporarily introduced "COVID-19 Hazard Control" measures. Effective Friday, October 29th, all staff, parents/guardians, facility user groups, visiting sports teams, officials, spectators, and anyone else that wishes to enter the school will be required to provide either proof of vaccination or a negative rapid test result dated within 72 hours, prior to entering the school building or interacting with students. The entire Administrative Procedure 451 - Covid 19 Hazard Control can be found at this link on the BRSD website:

It is a priority to ensure school athletics continue to operate within a safe environment. Until further notice, no spectators will be permitted to attend athletic events at Tofield School.

When the opportunity arises, we will attempt to livestream home games so that you can cheer our teams on from the comfort of your homes and invite other friends and family members to do the same. This link will be located on our YouTube channel.

Our priority since the start of this year has been to focus on students being able to play sports. We are very grateful that we have met this goal.

Thank you for your patience and cooperation.

Sincerely,

Janice Muench
